

## REMARKS

This communication is responsive to the Examiner's Office Action mailed October 3, 2003. In that action, the Examiner states that Group I, Claims 1-8, are drawn to an apparatus to attach IC chip; Group II, Claims 9-13, are drawn to a process of attaching the IC chip; and Group III, Claims 14 and 15, are drawn to a computer readable form. The Examiner required restriction for examination purposes and, therefore, Applicant respectfully elects Group II, Claims 9-13, for examination. Claim 1-8 and Claims 14-15 are hereby withdrawn, without prejudice.

Although Applicant believes there are no fees required, the Commissioner is hereby authorized to charge deposit account number 08-2025 for any additional fees necessary.

Applicant's attorney welcomes the opportunity to discuss the case with the Examiner in the event that there are any questions or comments regarding the response or the application.

This is intended to be a complete response to the Examiner's Office action mailed on October 3, 2003.

Respectfully submitted,

By:
